SIGMA40

EFFORTLESS PERFORMANCE

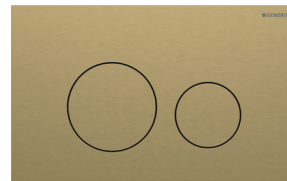

The Geberit Sigma40 flush plate redefines modern bathroom aesthetics with its sleek, high-aspect front and ultra-thin profile—the slimmest of the Geberit collection. Its minimalist design brings understated elegance to any luxury space.

Top-quality materials and architectural elegance.

Sigma40 dual flush actuator plates are available with round or square push buttons, glass or stainless-steel construction, and a wide range of colors and finishes.

- Water-saving dual flush
- High-quality materials: glass or metal
- Thin plate, only 3/16" deep
- Selected color variants with surface coating
- Includes mounting frame and hardware
- Matching urinal actuators (available in 2026)
