GEBERIT NORTH AMERICA SPONSORS NEW “*EDUCATORS EXCHANGE, LIVE!*” FORUM AT KBIS

Des Plaines, IL: Geberit North America will sponsor the National Kitchen and Bath Association (NKBA) *Educator’s Exchange Live!* at KBIS, Tuesday, February 19, 2019 from 5:30 PM to 7:30 PM at the SLS Las Vegas Hotel in the Nikko I & II rooms. The “by invitation” unique live event will give industry educators the opportunity to network with other educators. Invited participants need only be an educator, or an instructor-sponsored student over 21, participating in a NKBA Affiliated School Program.

“We are pleased to sponsor this “live” forum where educators can network to discuss one-on-one such programs as best practice guides, curriculums, programs and the latest trends in kitchen and bath education with other educators,” says Ronn Jefferson, product manager for Geberit. “I will outline the benefits of the new program in a brief presentation which will be followed by a cocktail hour with light appetizers. We look forward to your attendance and participation.”

To learn more about the NKBA visit <https://nkba.org/> or call (800) THE-NKBA.

To learn more about Geberit North America and its products, please contact your Geberit sales representative, call 800-566-2100 or visit geberit.us.

For additional information, contact Geberit North America at 2100 South Clearwater Drive, Des Plaines, Illinois 60018, or call 800-566-2100. You can also visit Geberit North America at geberit.us.

The globally operating Geberit Group is a European leader in the field of sanitary products. Geberit operates with a strong local presence in most European countries, providing unique added value when it comes to sanitary technology. The production network encompasses 29 facilities. The Group is headquartered in Rapperswil-Jona, Switzerland. In North America, Geberit provides concealed systems for wall-hung and floor-mounted toilets and fixtures. Geberit systems improve the look of any bathroom by hiding unsightly plumbing hardware. Replacing a standard toilet with the Geberit system results in more usable space, improved hygiene and better accessibility. The unique dual-flush valve saves water

and is practically maintenance free. Geberit also offers cable-controlled bath waste and overflows in a variety of designer finishes. Critical working parts are outside the waterway, ensuring years of trouble-free operation. With around 12,000 employees in around 50 countries, Geberit generated sales of CHF 3.1 billion in 2018. The Geberit shares are listed on the SIX Swiss Exchange and have been included in the SMI (Swiss Market Index) since 2012.
